

Hi Friend,

It's been a month of many changes here at the PCC!

We are delighted to be able to start the search for the nurse manager who will help us with the final arrangements to begin doing ultrasound at the PCC.

Sadly, we're also having to say goodbye to Linda, our Administrative Coordinator, as God is leading her in a new direction. We wish Linda Godspeed in her coming endeavors. Please keep us in your prayers as we deal with these new challenges.

### **Praises and Prayer Requests:**

Your prayers are the foundation of the PCC ministry! You are making a difference in the lives of many women and their unborn children.

### **Praises:**

- That we are able to go forward with finding the Nurse Manager that God has already chosen for the PCC
- For many new partners who helped bring us towards ultrasound with year-end gifts.

### **Please Pray:**

- For a client and her boyfriend who are getting married soon
- For God's HOPE to reign in the lives of clients in unexpected pregnancies
- For God's direction to find our Nurse Manager & new Office Coordinator.
