

Dear friend,

Annette was smiling as she came to tell me the news. One of her clients in the parenting program had announced that she and her boyfriend had decided to get married. What a blessing to see our clients choosing to follow God's path for healthy families as they await their baby to be born! Please pray for this couple as they begin to form a healthy family.

Praises and Prayer Requests:

Your prayers are the foundation of the PCC ministry! You are making a difference in the lives of many women and their unborn children.

Praises:

- For the opportunities God gives us to gently speak His truth in love in the lives of our clients.
- For God's abundant provision of gifts to cover most of the one-time costs to start doing ultrasounds.

Please Pray:

- For God's HOPE to reign in the lives of our clients who talked with our advocates and who have seen an ultrasound picture of their baby.
- For God to provide more monthly donors to cover the ongoing costs of ultrasound through 2016 & beyond.
- For God's continued wisdom for the PCC's decisions and plans related to ultrasound.

For several more receptionists to assist us on the appointment shifts.

Receptionists to serve on Monday afternoon, Tuesday & Thursday.
