

## A Blessings Update:

It's such a privilege when God allows us to know how He's been working in the lives of our clients after we lose touch with them.

Recently, a couple shared another story of a young woman who came to the PCC several years ago and decided against abortion. How blessed that family has been by the life of that special grandchild!

### Praises and Prayer Requests:

Your prayers are the foundation of the PCC ministry!  
Your efforts make a difference in the lives of many women and their unborn children.

### Praises:

- For our newest PCC teammate, Hannah Akers. We are excited to have her join us as our new Office Coordinator!
- For several groups who have helped us recently with baby supplies, thank you friends!
- For a new little "PCC family member" on the way in November. Congratulations Logan and Rachel!

### Please Pray:

- For our client advocates: Nicole, Julie, Melissa, Bonnie, Hope, Becky, and Amy as God moves through them to touch women who are feeling overwhelmed and desperate. Also for good health for Hope, who is due in May. For one of our receptionists Hanna, who has been in the hospital after a trip.
- For God to move in the hearts of 150+ people to raise sponsors and to participate in the May 7th Walk for Life to help raise funds and reach more women in unexpected pregnancies.
- For God's wisdom in upcoming decisions related to our new services.
