

## A Blessings Update:

In the midst of all the busyness and national political turmoil these days, it would be easy to be distracted and lose touch with God's important work. Rest assured, here at the PCC we are still standing firm, assisting women in unexpected pregnancies and helping them discover positive alternatives to abortion.

Julie just saw a client who had gone to the local family planning clinic and been referred for an abortion. When the client learned that she was already quite far along in her pregnancy, she decided to visit us. After Julie shared information about her baby's stage of development, the client decided that she would keep her baby. Now another new member of the human family will be born at the end of this year. We're praising God that your prayers and support helped make that happen, Thank you.

### Praises and Prayer Requests:

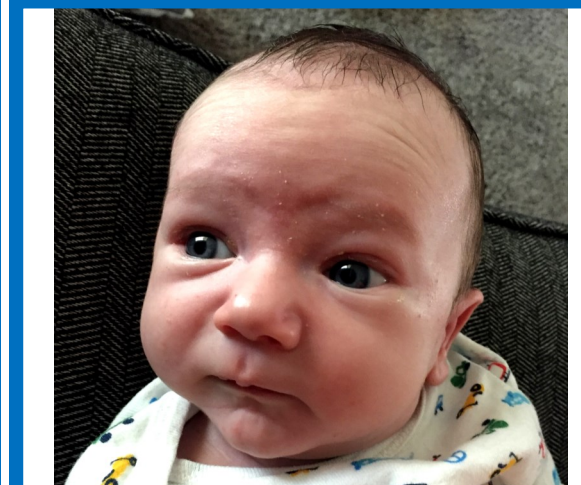

Your prayers are the foundation of the PCC ministry! Your efforts make a difference in the lives of many women and their unborn children.

### Please Pray:

- For God to show us who He has chosen to be our new Nurse Manager and for His timing on her hiring and off-site training.
- For God's favor in the preparation and arrangements for the Banquet for Life, pray that God would move in the hearts of 60 couples/individuals to serve as table hosts and for the Table Host Equipping Desserts that will happen in August.
- For God's direction in all our endeavors. For God's peace and rest for our staff and volunteers.

### Praises:

- For New PCC "family members"- We're excited to be welcoming:
  - our new Medical Director, Dr. Teresa Durbin
  - our newest administrative volunteers, Melissa and Mindy
  - our Client Advocate Hope's new son, Paxton Lee, born 6/1/16 (pictured to the right)
- Rachel and her events team are making great progress on preparations for our October 1st Banquet for Life, "Dream the Impossible"
