

## A Blessings Update:

This month we're praising God for Dads! The Bible is full of stories of the impact that fathers make on their children (both good and bad).

Dads make SUCH an impact in the lives of their children and we are so thankful to be able to come alongside and support dads as they "step up" to share responsibility for their children: both born and unborn.

God is definitely working in the lives of the spouses/ boyfriends of our clients; including a young dad who faithfully attended Kathy's parenting classes so he could master "this discipline thing" for his toddlers.

### Praises and Prayer Requests:

Your prayers are the foundation of the PCC ministry! Your efforts make a difference in the lives of many women and their unborn children.

### Praises:

- For the recent birth of a baby girl to one of our clients who had strongly considered abortion.
- For a great Walk for Life. We now have just shy of \$43,000 in pledges, 95% of our goal. We had sponsored walkers from 43 churches, 10 walkers who all raised over \$1,000 each, and 700 sponsors who made pledges!
- For several unanticipated gifts from area churches over the past few months and for the faithful monthly donations from many area churches.

### Please Pray:

- For God's guidance as we begin looking for another location in Davis County for medical services including Ultrasound exams. Ideally, we are praying for God to provide medical space near Davis hospital at a reduced cost or for free. *Do you know anyone who may have contacts who could help us? (e-mail [tammy@ogdenpcc.org](mailto:tammy@ogdenpcc.org))*
- For God's continued guidance as we bring on board our volunteer Medical Director and as we continue moving forward to hire a Nurse Manager for our Medical Program.
