## A Blessings Update:

Precious friend,

Since we've added services to become a medical clinic we're excited to announce that the PCC ministry has officially changed its name to the PMC - (Pregnancy Medical Clinic).

In the next couple of months we'll be opening a new location where we will be providing expanded medical services to patients in Weber and Northern Davis Counties, (including in-house Ultrasound Exams). The new patient services section of the PMC ministry will be called "Journey Clinic." Our heartfelt thanks to everyone who is helping to make our expanded outreach possible.

### Praises:

- For the great service of Hannah, our Office Coordinator, who is moving to southern California. Godspeed Hannah and Isaac!
- For our New Office Coordinator, Gwen, who has joined the PMC team.
- For God's direction and guidance as we have become a full medical clinic ministry.
- Our lease has been signed and renovations will begin!

### Praises and Prayer Requests:

THANK YOU for your prayers for the PMC ministry! Your efforts make an enormous difference in the lives of women, men and their unborn children.

### Please Pray:

- For Hannah as she pursues an opportunity with a ministry in California.
- For 60+ people to follow God's leading to serve as Table Hosts for the 24th Annual Banquet for Life on October 7th, 2017.
- For God to send us an additional team member: A part time Nurse Manager who will manage the volunteer nurses and be trained to perform our Ultrasound exams.
